PRADHAN MANTRI JAN VIKAS KARYAKRAM (PMJVK)

MINUTES OF THE 22ND MEETING OF EMPOWERED COMMITTEE (EC) ON PMJVK HELD ON 20TH DECEMBER, 2019 TO CONSIDER PROPOSALS RECEIVED FROM THE STATES OF MANIPUR, MEGHALAYA, GUJARAT, ANDHRA PRADESH, NAGALAND, ASSAM AND KERALA.

The 22nd Empowered Committee (EC) meeting of Pradhan Mantri Jan VikasKaryakram (PMJVK) was held on 20.12.2019 under the Chairmanship of Secretary, Ministry of Minority Affairs to consider proposals received from the State of Andhra Pradesh, Meghalaya,Gujarat, Assam,Manipur, Nagaland and Kerala.

2. The meeting was attended by Joint Secretary & Financial Advisor, Ministry of Minority Affairs, representatives of NITI Aayog, Ministry Sports, Ministry of Rural Development, Ministry of Human Resource Development and NAWADCO.

3. Commissioner & Secretary, Planning (Shri Vijay Kumar), Govt of Meghalaya; Additional Development Commissioner (Shri Rajeev Arora), Govt. of Mehghalya; Additional Secretary (Ms.Obangla Jamir) Govt. of Nagaland attended the meeting in person. Dr. Mohd. Ilyas Rizvi, Principal Secretary, Govt. of Andhra Pradesh, Deputy Director, Govt. of Manipur, Deputy Secretary (Shri G.P. Patel), Govt. of Gujarat; District Planning Officer (Shri Raol), Kutchh, Gujarat; Director, Govt. of Kerala and district officers of Manipur and Kerala attended the meeting through video-conferencing.

4. At the outset, Chairman of the Empowered Committee welcomed all the members and the State representatives. After a brief introduction of the members, the Joint Secretary (PMJVK) briefed the Committee about the aims and objectives of the PMJVK and observed that the following should be adhered to by all the stakeholders while implementing the PMJVK scheme:-

i. **Thrust Areas of the Karyakram:-** Under PMJVK at least 80% of the resources should be allocated for projects related to education, health and skill development, of which at least 33-40% should be specifically allocated for women/girls centric projects.
ii. **Adhering to guidelines and eliminating duplication:** States should ensure that the proposals have the approval of the State Level Committee of PMs 15 Point Programme and Mission Director of Centrally Sponsored Schemes concerned in order to ensure that the proposals are as per the specifications/ norms/standards set by the line Ministries/Departments concerned and that any duplication is ruled out. The responsibility for eliminating duplication in

terms of work and funding vests with the concerned district authority and the State Government. The States were advised by the Empowered Committee to ensure that the catchment area of the assets created under PMJVK have substantial minority population. Further the States should also ensure that the assets proposed are located in the identified Minority Concentration Areas and are owned by Govt/Govt body.

iii. **Review meetings of Oversight committee in State, and District Level Committees:** The scheme of PMJVK envisages quarterly review meetings by the State and District Level Committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for PMJVK. The participants were advised that the quarterly review meetings of State Level Committee/State Oversight Committee and District Level Committee should be held regularly and copy of the meeting notice should be sent to the Ministry to enable a representative from the Ministry also to attend State Level meetings as envisaged under PMJVK. It should be ensured without fail, that Members of Parliament nominated in such Committees are invited to attend the meetings.The nomination of MPs to the State Level Committees has already been done by the Ministry.

iv. **Sample testing and quality control:** Quality control is to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry as part of the project estimate on receipt of request from the State concerned. All the States were advised to carry out field visits, quality control tests and review all works under MsDP/PMJVK to ensure that there are no shortcomings in the execution of the works under PMJVK.

v. **Centrally Sponsored Scheme (CSS) guidelines of other Ministries:** There would be no change in the guidelines of any existing Centrally Sponsored Scheme (CSS) for implementation in MCAs under PMJVK. Whenever projects under a Centrally Sponsored Scheme are sanctioned under PMJVK, it shall be ensured by the Ministry of Minority Affairs as well as the State Govt. that the Ministry/Department concerned in the Centre and State are informed so that the number of units taken up are accounted in the physical register of the Ministry concerned, and are also inspected by their officials wherever physical inspections are carried out in the State/UT.

vi. **Timely release of PMJVK funds:** The State should ensure that funds received for projects under PMJVK, are released immediately to the implementing agencies along with matching State share. Parking of PMJVK funds at any level is strictly prohibited. Subsequent instalments of Central share for the projects may be sought by the State Govt on submission of requisite documents to the Ministry as per guidelines of PMJVK.

vii. **Late starting/late implementation of PMJVK projects make them liable for cancellation: -** The States should ensure that projects approved by the Ministry under PMJVK are started and completed within the prescribed time lines.

viii. **Extension of time for completion of projects:-** The States should inform the Ministry regarding all such projects which are falling behind completion schedule and seek extension of time for completion/re-scheduling of completion date.

The Empowered Committee reviewed the status of projects sanctioned under PMJVK/erstwhile MsDP with Principal Secretary, Govt. of Andhra Pradesh and the following were observed:-

i. The funds released during 12th plan period and 2017-18 are yet to be utilised.

ii. Projects sanctioned during 12th plan period and 2017-18 are yet to be completed.

The Principal Secretary, Govt. of Andhra Pradesh informed the Committee that the projects sanctioned in above period were delayed due to some administrative reasons and now work on all the projects is in progress. He assured the Committee that they will soon send UCs for the funds already released by the Ministry.

II. CONSIDERATION OF FRESH PROPOSALS

2. The State representative informed the 21st Screening Committee that the Meghalaya State is going to host the 39th National Games. As such, the instant proposals are the priority for the State.

3. The State had initially proposed some projects in locations which were not in the identified MCAs. The locations of projects and priority sectors of the scheme were discussed in detail by the Screening Committee in its 21st meeting. It was informed to the State that the projects falling in areas other than MCAs of PMJVK cannot be considered by the Ministry. The SC also directed the State representative to submit declaration of the State as per Appendix-II of the guidelines on PMJVK and details of the projects which were falling in the West Garo Hills (MCA). The SC also desired that the State may clarify regarding the bearing of recurring expenditure and subsequent use of the infrastructure post the National Games.

4. It was informed by the State representative during the SC meeting that the Social Welfare Department of the State is the Nodal Ministry for Minority Welfare. However all projects of the State are proposed through Planning Department of the State. He assured the SC that they have kept the nodal department of the State involved in the projects.

5. The State vide their letter no. PLR.138/2005/Pt.-IV/10 dated 09.12.2019 and 18.12.2019 have since submitted details of 5 projectsall in West Garo Hills. The assets which were earlier proposed for construction in locations outside the MCAs have also been shifted within West Garo Hills. Declaration of State in Appendix-II of the guidelines has also been received.

6. The 21st EC directed that in addition to the observations of the SC, inputs from Sports Ministry be taken on the proposals located in West Garo Hills.

7. Since, the State has now included 3 more proposals in West Garo Hills in addition to the two submitted earlier, all the 5 proposals were placed before the 22nd EC for consideration. The project proposals are as under:

G. NAGALAND

The State Govt. of Nagaland vide their letter No.PLN/MAC/GEN-1/2019 dated 21.10.2019 have submitted proposals under the PMJVK scheme. The proposal of the State is accompanied with declaration of the State as per Appendix-II of the guidelines on PMJVK under signature of Addl. Secretary to Govt. of Nagaland.

2. The projects submitted by State was considered by Empowered Committee in its 21st meeting and it was observed that Niuland, which is identified under PMJVK as MCB, is a Sub-Divisional Headquarter having two administrative blocks and **three Rural Development Blocks** consisting of 70 villages.

3. The details of the projects are as under:-

a. **Residential Schools:-** The State has proposed for construction of 08 nos. of Residential Schools at the unit cost ranging from Rs.3614.21 lakh to Rs. 4614.25 lakh.

Out of these, 03 schools are situated in the identified MCA of PMJVK and 5 have been proposed in CoVs. However, till date no CoV have been identified for Nagaland.

As per the State, the location of Residential Schools proposed in identified MCA will be at Niuland(neighbouring 24 villages), Showuba (neighbouring 36 villages) and Nikhekhu (neighbouring 10 villages).

Besides, the locations proposed by the State for Residential Schools of COV will cater to the requirement of 66 villages.

The State has submitted cost abstract and layout with the following information:-

1. The project will be implemented by Planning & Coordination Department, Minority Affairs Cell.
2. Estimate is based on Nagaland PWD schedules of Rate 2016. A cost escalation of 22.5%@7.5% per year has been incorporated.
3. The work will be completed in 24 months. The working season in year is 6 to 8 months(October to May)
4. The School will have following amenities

a. School Building (G+3) with Office Room, Staff Room, Principal Room with Ante Room, Class Rooms, Labs, Toilet Blocks
b. Hostel Building(G+2) with Room with Toilet Blocks, Multi-purpose Hall, Lift Arrangements.

d. Staff Quarters, Principal Quarter.
e. Compound Wall, Septic Tank, Over Head Reservoirs, Sump Tank, Security Guard Room, Internal Road, Solar Water Heaters, Steam Cooking, Landscaping and other things as per site requirements.

It was informed by the State representative that the proposed schools will be new Co-ed Schools from Class VI to X and that the schools are proposed to be run by the State Government on PPP model. The school will cater to the requirement of population of around 42287. She added that at present there is no Residential School in Nuiland.

The Screening Committee in its 21st meeting considering the vast geographical area covered under Nuiland and submission of the State, recommended 03 Residential Schools out of 08 Residential Schools proposed by the State for consideration of the Empowered Committee.

The projects were subsequently considered by Empowered Committee in its 21st meeting. During EC, on being asked as to how the schools will be run, the State representative informed that the Schools would be run on PPP model. The Empowered Committee asked the State representative to examine the matter further and also sought information as to whether the State had already shortlisted the private organization for running the

residential schools. If yes, the method of selection and the experience of the partner be informed. The State may also clarify whether they have any experience of running schools on PPP model and whether state can consider running these schools through State Govt.

The State vide their letter no. PLN/MAC/GEN-1/2019 dated 11.12.2019 has referred the discussion held during the EC meeting and submitted the following

"The State Govt. is initially planning to implement the Residential Schools on PPP model which would involve a reputed and experienced private partner. The private partner would be selected by the State by the following due procedure as per State Finance Rules. The role of the private partner would be limited to running the school which would include engagements of teachers, maintenance of hostels, maintenance of school building etc. A management committee involving the State Govt. officials would be responsible for taking decisions on the day to day operation of the school. For any reason, the above model(PPP) is not implemented, the State Govt. would run the school on its own on the lines of other Govt. Schools in the State.

The above proposal is one of the priority projects of the Hon'ble Minister in charge of the State"

The above project has been duly considered in the State Level Committee under the Chairmanship of the Chief Secretary and no problem is envisaged with regard to running the school on PPP model. The project is proposed to be completed in 24 months from the date of sanction as working seasons in Nagaland is only 6 months in year. The formality of engaging the private partner etc would be completed on priority and the Ministry would be informed."

Keeping in view the submission of the State, the EC agreed to initially approve 02 Residential Schools proposed in Niuland Block. The third Residential School in Niuland would be considered after seeing the progress of construction/implementation of the sanctioned projects.

With regard to the remaining 05 Residential Schools proposed in CoVs, the Ministry would examine the matter in consultation with the State Govt. and other concerned to first identify the areas as COV.

b. **Working Women Hostels:-** The State has proposed for construction of 04 nos. of Working Women Hostels at a unit cost ranging from Rs.1349 lakh to Rs.1547 lakh.

Out of these Hostels, 01 is situated in identified MCA i.e. Niuland with unit cost of Rs.1349 lakh and 03 have been proposed in CoVs. The CoVs for Nagaland are yet to be approved.

The State has submitted cost abstract and layout with following information:-

1. The project will be implemented by Planning & Coordination Department, Minority Affairs Cell.
2. Estimate is based on Nagaland PWD schedules of Rate 2016. A cost escalation of 22.5%@7.5% per year has been incorporated.
3. The work will be completed in 24 months. The working season in year is 6 to 8 months(October to May)
4. The Working Women Hostels will have following amenities

a. Two blocks of G+3 structure keeping in view of topography of the site.
b. Each block will have 39 hostel unit with carpet area of 25 Sq. Mtrs.
c. Ground Floor:- Reception Areas, Office, Day Care Centre with attached toilets, Dinning Area with Kitchen, Reading Room, TV viewing area, 3 Hostel units with one bed room, sitting room and bathroom each.
d. First Floor:-Spacious Hallway ending in balconies on both sides & 12 Hostel units.
e. Second Floor:- Spacious Hallway ending in balconies on both sides & 12 Hostel units
f. Third Floor:- Spacious Hallway ending in balconies on both sides & 12 Hostel units.

It was informed by the State representative that the project will be the first of its kind in the MCA and it will be open to women of all communities. The SC suggested the State to re-assess the capacity of the Working Women Hostels so that the asset can be used to its optimum as the hostel rooms appear to be quite large in size (25 Sq. Mtrs each).

The Screening Committee asked the State to rework the estimate and design of the 01 Working Women Hostel proposed in Niuland.

The Empowered Committee, as per observation of the Screening Committee, directed the State to rework the estimates.

The State vide their letter no. PLN/MAC/GEN-1/2019 dated 11.12.2019 has submitted the following:

"The absolute minimum size of areas as prescribed by the NBC Code has to be followed and the recommendation on the size of the Affordable Housing Dwelling Units are as follows: For Economically Weaker Sector:21-27 Sqm; For upper lower income group:41-60 Sqm. Considering this, and also allowing for the fact that the Working Women Hostel will house women who may have small children who need to stay with the mother, the basic minimum requirement of one bedroom, one living room and attached toilet has been proposed in the DPR.

Keeping in view the submission of the State, the EC approved 01 Working Women Hostel proposed in the Niuland Block with the direction that the Working Women Hostel would be constructed as per the area norms laid down by the Ministry of Women & Child Development.

With regard to the Working Women Hostels proposed in CoV, the Ministry would examine the matter in consultation with the State Govt. and the other concerned to first identify the areas as COV.
