Now, the State Government requested for the Residential School to be constructed at Chingkhir Village, Chandel Block as the previous location is remote and issues of mobile connectivity, road connectivity and other basic amenities exist. The proposal of the State is accompanied with the approval of State Level Committee. The EC considering the approval of the SLC approved the proposal for change of location subject to the condition that the State will ensure the fulfilment of all mandatory conditions as per the guidelines of PMJVK.

2. In addition to above, the State has also requested for approval of following projects.

a.
