GUIDELINES
for implementation of
Prime Minister’s New 15 Point Programme
for the Welfare of Minorities

The Hon’ble President, in his address to the Joint Session of Parliament on February 25, 2005, had announced that the Government would recast the 15 Point Programme for the Welfare of Minorities with a view to incorporate programme specific interventions. Prime Minister, in his address on the occasion of Independence Day, 2005, announced inter-alia that “We will also revise and revamp the 15 Point Programme for Minorities. The new 15 Point Programme will have definite goals which are to be achieved in a specific time frame”. In pursuance of these commitments, the earlier programme has been revised as the Prime Minister’s New 15 Point Programme for the Welfare of Minorities. A copy of the programme is enclosed.

2. The objectives of the programme are as follows:-
   a) Enhancing opportunities for education.

   b) Ensuring an equitable share for minorities in economic activities and employment, through existing and new schemes, enhanced credit support for self-employment, and recruitment to State and Central Government jobs.

   c) Improving the conditions of living of minorities by ensuring an appropriate share for them in infrastructure development schemes.

   d) Prevention and control of communal disharmony and violence.

3. An important aim of the new programme is to ensure that the benefits of various government schemes for the underprivileged reach the disadvantaged sections of the minority communities. The underprivileged among the minorities are, of course, included in the target groups of various government schemes. But in order to ensure that the benefits of these schemes flow equitably to minorities, the new programme envisages location of a certain proportion of development projects in minority concentration areas. It also provides that, wherever possible, 15% of targets and outlays under various schemes should be earmarked for minorities.

4. The emphasis of the programme on the maintenance of communal peace and harmony, through appropriate measures, and ensuring a reasonable representation of minorities in government, including the public sector, remains as emphatic as ever and these continue to be important constituents of the new programme.

5. The programme does not envisage any change or relaxation of any criteria, norms or eligibility conditions in any scheme for minorities. These would continue to be as provided for in the original schemes included in the programme.

6. The term ‘substantial minority population’ in the 15 Point Programme applies to such districts/sub-district units where at least 25% of the total population of that unit belongs to minority communities.
7. (a) The target group of the programme consists of the eligible sections among the minorities notified under Section 2 (c) of the National Commission for Minorities Act, 1992, viz, Muslims, Christians, Sikhs, Buddhists and Zoroastrians (Parsis).

(b) In States, where one of the minority communities notified under Section 2 (c) of the National Commission for Minorities Act, 1992 is, in fact, in majority, the earmarking of physical/financial targets under different schemes will be only for the other notified minorities. These states are Jammu & Kashmir, Punjab, Meghalaya, Mizoram and Nagaland. Lakshadweep is the only Union Territory in this group.

8. The new programme will be implemented by Central Ministries / Departments concerned through State Governments / Union Territories. Each Ministry/Department concerned shall appoint a nodal officer, not below the rank of a Joint Secretary to Government of India, for this programme. The Ministry of Minority Affairs shall be the nodal Ministry for this programme.

9. Physical Targets and Financial Outlays:

Considering the complexity of the programme and its wide reach, wherever possible, Ministries/Departments concerned will earmark 15 percent of the physical targets and financial outlays for minorities. These will be distributed between States/UTs on the basis of the proportion of Below Poverty Line (BPL) population of minorities in a particular State/Union Territory to the total BPL population of minorities in the country, subject to the following:

(a) (i) For schemes applicable exclusively to rural areas, only the ratio relevant to the BPL minority population in rural areas would be considered. (ii) For schemes applicable exclusively to urban areas, only the ratio relevant to the BPL minority population of urban areas would be considered.

(iii) For others, where such differentiation is not possible, the total would be considered.

(b) For States/UT referred to in para 7 (b), the earmarking will only be for the BPL minorities, other than that in majority.

10. The schemes amenable to such earmarking are the following:
