MINUTES OF THE 92nd MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 28TH OCTOBER, 2014 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.

The 92nd Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 28th October, 2013, under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Government of West Bengal, Karnataka and Manipur. The Officials from State Government of West Bengal, Karnataka (only of Bellary District), Manipur and the representatives of the CSC e-Governance Services India Ltd. attended the meeting. There was no representation from the State Govt. of Karnataka. A list of officials present in the meeting is annexed as annexure - I.

2.   **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period. A computer software application called MIS-MsDP has been made operational in July, 2011 and the States/UT have been advised to ensure that data is entered by all concerned so that Quarterly Progress Report (QPR), utilization certificate and various progress reports is generated through the software.

3.   **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / mission director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with

the guidelines of the scheme concerned and that duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.

4.   **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. In case schemes for individual benefits are taken up under the programme, there shall be no divergence from existing norms for selection of beneficiaries from the list of BPL families in the district, so that benefits from the additional funds flow to all BPL families and not selectively. However, the provision under Indira Awas Yojana (IAY) guidelines for making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

5.   **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

6.   **Utilization Certificate:** For release of second installment, utilization certificate (UC) is required. If the UC is furnished within a period of one year after release by the Ministry, 60% UC would be required for releasing the next installment. However, if utilization is made beyond the period of a year, 100% utilization would be necessary. The UCs would need to be accompanied by QPR showing physical progress, photographs as proof of the work in progress and the phasing of funds for the release sought. The Utilization Certificates of the 2nd instalment should also be submitted by the States/UTs to the Ministry.

7.   **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.

8.   **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.

9.   **Display boards:** Para 19 of the scheme of MsDP provides for a 'display board' which should have– Name of the project/scheme printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the display boards. States/UT should ensure this and put up a permanent display on completion of each project.

10. **General conditions applicable to projects approved by the Empowered Committee**

For approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

Approval of the State department concerned/Mission Director for Centrally Sponsored Scheme (CSS) concerned have covered the following –

(a)   **Need** for having the proposal sanctioned under MsDP.
(b)   **Duplication has been eliminated**.

(c) Proposal is as **per norms, specifications, layout design, funding norms and cost norms of the CSS guidelines** concerned.

(d) **Separate accounts for schemes under MsDP will be maintained** and details sent to the Central Ministry concerned for maintaining proper record of assets and avoiding double counting and duplication.

(e) **Estimates have been prepared as per Schedule of Rates (SOR)** of the State Government and have been **approved by a competent engineering department** of the State Govt.

(f) **Staff is available** for functioning unit or will be provided for new unit.

(g) **Recurring expenditure** would be provided by the State Government.

(h) **Land is available and/or will be made available by the State Government in villages/locations having the highest proportion (percentage) of minority population.**

11. **Review meetings of Oversight committee in State, and State and district level committees:** The scheme of MsDP envisages quarterly review meetings by the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for MsDP. The State level committee also acts as the Oversight Committee for MsDP. Quarterly review meetings for State level committee/State Oversight Committee and district level Committee should be held and copy of the meeting notice should be sent to the Ministry to enable a representative to attend State Level meetings as envisaged under MsDP. It should be ensured that Members of Parliament nominated in such Committees are invited to attend the meetings.

12. **Photographs:** Photographs of completed works and works in progress indicating type of asset, name of location/village and date should be placed in the MIS-MsDP web page and officials from the State and districts were impressed upon the need to have photographs, in digital format sent by email to **Shri U.K. Sinha, Under Secretary in the Ministry- ujjwal.sinha@nic.in** . The photographs are required for release of second installment.

13. The Chairman (EC) emphasized that the benefits accrued by the implementation of MsDP should go to the Minority Communities properly. Therefore, not only location of the assets in the areas having substantial minority population is important, but it is also equally important to see that the assets created are actually imparting benefits to the minorities. The State Government was impressed upon to propose the locations of projects under MsDP accordingly.
